Just inside the entrance, there is a lobby/waiting area. The door to the client meeting/therapy area is on the right side of the lobby/waiting area.

This is the private therapy area:

Hallways from Waiting and Client Meeting/Therapy Areas to Restrooms and Restroom Interiors

There is a unisex ADA bathroom down the hall, just past the lobby/waiting area.

The hall goes past the ADA restroom and turns a corner. Just beyond that is another restroom, which is non-ADA.

Continuing down the hall past the non-ADA restroom, one arrives at a second lobby/reception area inside the secondary entrance.
